

Amendment to Special Enrollment COVID-19 Special Enrollment

To assist members in response to the outbreak of COVID-19, We are extending our Special Enrollment Period. This Special Enrollment extension will run from April 1, 2020 through April 15, 2020.

This notice is an amendment to your <Certificate of Coverage (COC)/Evidence of Coverage (EOC)>and contains important information about the changes to the Special Enrollment section on page <40>. Please read this amendment carefully and keep with your other plan documents.

During this COVID-19 Extended Special Enrollment period, the Special Enrollment section of your plan document includes the following additional bullets:

- Enrollees who previously waived coverage will be allowed to enroll during the special enrollment period listed above.
- Enrollees who elected self only coverage will be able to change their enrollment to include eligible dependents under the same coverage you are enrolled during the special enrollment period listed above.
- Active enrollees will be allowed to change their coverage tiers during the special enrollment period listed above.

If you wish to elect or change your coverage during this Special COVID-19 Enrollment period you must make your elections no later than April 15, 2020.

We must receive a completed enrollment in a business appropriate format and your employer must receive all contributions for coverage during the special enrollment period no later than April 15, 2020.
